

Video Warehouse Manager | Jan 2018-Dec 2019

- Overseeing a team of 4 people, making sure all equipment is properly maintained. Including Cleaning, fixing and labelling.
- Having daily meetings with the other warehouse managers and office staff, making sure each day the needed equipment for each event is ready to be loaded into necessary vans and lorries, working on many shows at once on very tight deadlines.

Video Warehouse Assistant | Jan 2017- Dec 2018

- Follow instructions given to me from the warehouse manager.
- Making sure all equipment is working properly and raise service tickets for faulty items.
- Assisting loading vans and lorries with the correct equipment for each event.

Freelance Sound Engineer | May 2013-Dec 2016

- Providing excellent sound engineering to many venues in UK.
- Having knowledge on many Sound Mixing Desks and PA systems
- Installing PA systems permanent and temporary in many venues and spaces indoor and outdoor.
- Working to extremely tight deadlines to make sure events start at the necessary time.

Band Manager and Bass Player Jan 2005 – Oct 2015

- Writing and performing songs in the studio and live on stage in venues and television
- Arranging all the bands schedules: touring, studio time, rehearsals, promotion, videos.
- Collecting all income the band makes and working with tight budgets
- Completing all Tax Returns for the band members and Partnership.
